

Audio Visual Equipment of Meeting Rooms at SSC 2010

All meeting rooms used for symposia and sessions are equipped for standard scientific session. AV equipment provided includes:

Only single Power Point Projection will be provided

1 x speaker's lectern

1 x chair/moderator table with 6 seats

1 x screen

1 x beamer

1 x laptop on speaker's lectern

1 x complete sound system

2 x wireless tie clip microphones

2 x wireless microphone on the chair/moderator table

2 x wireless microphone in the audience for questions and answers

Additional AV equipment may be ordered at extra cost. Contact Nader Samy at info@pioneer-events.com to order equipment and/or discuss needs.

Please note there are only 15 minutes for mantling and dismantling additional equipment. Additional equipment that takes longer for mantling and dismantling is subject to approval by ISTH Headquarters and must be set up 1 hour prior to the start of the meeting day and must remain in the session room for the duration of the day.
